1. CHAIRMAN

The Chairman, Dato' Abdullah bin Mohd Yusof, extended a warm welcome to all shareholders, corporate representatives, proxies and guests present at the Company's Extraordinary General Meeting ("EGM").

2. QUORUM

The Company Secretary confirmed that a quorum was present. With the requisite quorum being present, the Meeting was called to order at 12.40 p.m.

3. NOTICE

With the consent of the members present, the Notice convening the Meeting having been circulated for the prescribed period was taken as read. Dato' Chairman then proceeded with the business of the EGM.

4. SUMMARY OF PROXIES RECEIVED

As part of good governance, Dato' Chairman informed the members that the Company had received in total 205 proxy forms from shareholders for a total of 106,419,225 ordinary shares representing 73.90% of the total number of issued shares of the Company.

5. SHAREHOLDERS' RIGHTS

Dato' Chairman further informed the shareholders that they are encouraged to participate, speak and vote at the EGM.

6. POLL PROCEDURE

Dato' Chairman also informed the Meeting that pursuant to Paragraph 8.29A of the Main Market Listing Requirements of Bursa Malaysia Securities Berhad, all resolutions set out in the Notice of the EGM must be voted by way of poll. Accordingly, Dato' Chairman proposed for a poll to be taken on all the resolutions set forth in the Notice of the EGM pursuant to Article 91 of the Company's Articles of Association.

Dato' Chairman further informed the Meeting that the poll would be conducted electronically using a wireless handheld device. The Company had appointed Boardroom Corporate Services (KL) Sdn. Bhd. as the Poll Administrator to conduct the electronic polling process and Boardroom Business Solution Sdn. Bhd. as the Independent Scrutineer to verify the poll results.

Dato' Chairman then invited the Poll Administrator from Boardroom Corporate Services (KL) Sdn. Bhd. to explain on the electronic polling procedures and the house keeping rules for the electronic poll voting process.

After the briefing of the electronic polling procedures, Dato' Chairman then proceeded with the business of the EGM.

7. ORDINARY RESOLUTION 1

- **PROPOSED BONUS ISSUE OF 72,000,000 NEW ORDINARY SHARES IN AEON CREDIT SERVICE (M) BERHAD ("ACSM" OR THE COMPANY) ("BONUS SHARES") AT AN ISSUE PRICE OF RM0.50 EACH TO BE CAPITALISED FROM THE COMPANY'S RETAINED EARNINGS ON THE BASIS OF 1 BONUS SHARE FOR EVERY 2 EXISTING ACSM ORDINARY SHARES ("ACSM SHARES") HELD ("PROPOSED BONUS ISSUE")**

Dato' Chairman informed the Meeting that the details of the Proposed Bonus Issue and Proposed Renounceable Rights Issue of 3-Year, 3.5% Irredeemable Convertible Unsecured Loan Stocks ("ICULS") on the basis of 2 ICULS for every 1 existing ACSM Share held after the Proposed Bonus Issue to raise RM432,000,000 in cash ("Proposed Rights Issue") were set out in the Circular to Shareholders dated 6 June 2017.

At the invitation of Dato' Chairman, Mr. Perry Lye, the Director of Corporate Finance from CIMB Investment Bank Berhad, gave a presentation to the shareholders on the details of the Proposed Bonus Issue and Proposed Rights Issue.

Subsequent to the presentation by Mr. Perry Lye, Dato' Chairman invited questions from the floor on the Proposed Bonus Issue and Proposed Rights Issue. A number of shareholders and proxies made comments and sought clarification on various issues which were succinctly addressed by the Board of Directors and CIMB. The salient issues raised were as follows:-

- (i) Whether the Board of Directors would request the major shareholder of the Company to refrain from subscribing for the excess application for the ICULS until the minority shareholders have done so.

Board of Directors' response:-

The Company took note of the comments from the shareholders and will look into the matter.

- (ii) Clarification on the charge or stamp duty when the ICULS are mandatorily converted into new ordinary shares upon maturity as well as during the intervening period.

CIMB's response:-

For the mandatory conversion on maturity, the charge or stamp duty for the conversion and crediting of the new ACSM ordinary shares into the ICULS holders' CDS Accounts shall be borne by the Company. The charge or stamp duty during the exercise period would be at the expense of the ICULS holders in view that it is a voluntary conversion by the ICULS holders.

- (iii) Confirmation on the application process on the conversion of the ICULS.

CIMB's response:-

There would be a conversion notice available to ICULS holders that would be required to be completed and signed and delivered to the Company and share registrar. The ICULS conversion does not require any outlay of cash and it merely involves the surrendering of the ICULS with an aggregate nominal value equivalent to the conversion price.

- (iv) Whether the conversion price of the ICULS would change at the maturity date.

CIMB's response:-

The conversion price is fixed notwithstanding any change in share prices. The nominal price (RM1.00 each ICULS) for the ICULS is payable upon the subscription of the ICULS and the ICULS is convertible into new ACSM ordinary shares based on a fixed conversion price. There is no payment upon conversion into new ACSM ordinary shares. The only payment requirement is upon the subscription of the ICULS.

There would be necessary adjustments to the conversion price based on the terms of the Trust Deed if ACSM undertakes future corporate exercises that alters ACSM's share capital such as rights issue, bonus issue, share consolidation, share subdivision or capital reduction.

- (v) The main advantage of conversion of the ICULS during the different periods.

CIMB's response:-

Depending on the bullishness of the mother share price, ICULS holders can take advantage of any positive mother share price movement to convert their ICULS holdings at the fixed conversion price, to realize any capital appreciation. The conversion price is fixed throughout the tenure of the ICULS unless the Company undertakes exercises that alter its share capital in which case there will be adjustments needed to realign the interest of ICULS holders.

- (vi) Clarification on the estimated expenses for the Proposed Bonus Issue and Proposed Rights Issue.

CIMB's response:-

The estimated expenses of RM4.6 million are mainly due to the required underwriting costs which are common for such an exercise and other professional and regulatory fees. It also included administrative costs and the fees of all the professionals involved in the exercise.

After having addressed the questions raised, Dato' Chairman then proceeded to the Ordinary Resolution 1 on the Proposed Bonus Issue.

Dato' Chairman put the Ordinary Resolution 1 on the Proposed Bonus Issue to the Meeting to be voted by poll.

The results of the poll for the Ordinary Resolution 1 on the Proposed Bonus Issue were as follows:-
