AEON CREDIT POWERS MALAYSIAN MOTORSPORTS: SPONSORS HAKIM DANISH'S MOTO3™ WILDCARD DEBUT UNDER AEON CREDIT SIC RACING MSI TEAM

Sepang, 15 October 2025 – Following the recent announcement of his Moto3™ wildcard entry, Hakim Danish Ramli is set to make his home debut on the world stage under the AEON Credit SIC Racing MSI Team at the upcoming PETRONAS Grand Prix of Malaysia 2025 (MotoGP™ Malaysia), scheduled from 24 to 26 October 2025.

The Moto3™ Wildcard Team Reveal Ceremony, held today at PETRONAS Sepang International Circuit (SIC), was graced by YB Hannah Yeoh, Minister of Youth and Sports Malaysia, alongside key representatives from AEON Credit Service (M) Berhad (AEON Credit), SIC, and ZK Racing Sdn. Bhd. (ZK Racing).

The event also witnessed the signing of a Memorandum of Understanding (MoU) between AEON Credit and ZK Racing, formalising a strategic partnership to advance Malaysian motorsports development through the Malaysian Motorsports Development (MDEV) Blueprint - a structured two-wheel talent development pathway jointly championed by the Ministry of Youth & Sports (KBS) and SIC.

This builds upon AEON Credit's earlier collaboration with SIC, where AEON Credit was appointed as the Official Circuit Partner. The partnership was formalised through the signing of a Letter of Understanding (LOU) between Azhan Shafriman Hanif, Chief Executive Officer of SIC, and Daisuke Maeda, Managing Director of AEON Credit, underscoring both organisations' shared commitment to growing Malaysia's motorsports ecosystem and nurturing homegrown talent.

YB Hannah Yeoh said, "Hakim Danish's wildcard represents Malaysia's belief in what is possible when the Government, private sector, and motorsports community come together. The support from AEON Credit is a great example of how private sector can make a real difference. Their contribution helps riders like Hakim Danish go further and shows our youth that big dreams are achievable. I hope more companies will come forward to be part of this journey."

The Ministry of Youth & Sports (KBS) has allocated RM3 million for the 2025 High-Performance MDEV Programme, with an additional RM1 million to support Hakim Danish's participation in the FIM JuniorGP World Championship 2025 through the Kumpulan Wang Amanah Sukan Negara (KWASN).

In line with the national effort, AEON Credit has contributed RM1 million towards Hakim Danish's Moto3™ wildcard debut, marking the company's first major step into motorsports and reinforcing its long-term commitment to youth empowerment, community development, and national talent growth.

Ng Eng Kiat, Chairman of AEON Credit, said that AEON Credit is proud to play a meaningful role in empowering Malaysia's motorsport talent. "This collaboration goes beyond sponsorship as it represents our belief in opportunity, discipline, and national pride. Through this partnership, we hope to inspire young Malaysians who may not have the financial means but possess the drive and determination to succeed. Motorsport reflects the same spirit we uphold at AEON Credit — perseverance, passion, and the pursuit of excellence. Together with SIC and ZK Racing, we are turning dreams into reality and nurturing the next generation of champions," he said.

Azhan Shafriman Hanif, Chief Executive Officer of SIC shared, "Hakim Danish is the first born of the development programme. We have seen him grow with us since he was 12 years old in SIC MiniGP Championship, and now, he will be on the MotoGP™ grid as proof that the ladder we built really works. This is exactly what the MDEV Blueprint was designed to achieve, taking young talents from grassroots to the Grand Prix. His wildcard debut is not just a milestone for Hakim Danish, but also for every technical crew, mechanic, and partner like AEON Credit who believed in the system. To all motorsports fans, come to Sepang, fill the grandstands and show your support for Hakim Danish as he races among the world's best on home soil."

Fans can catch Hakim Danish and the AEON Credit SIC Racing MSI Team in action at the MotoGP™ Malaysia and grab the opportunity to cheer for him live in Sepang. In support of the Malaysia MADANI agenda, SIC continues its Tiket Rahmah initiative, offering K2 Hillstand tickets at RM49.90. Tickets are available at www.sepangcircuit.com.
